

ALEXANDRA MAIN

CURRICULUM VITAE

AUGUST 31, 2023

Email: amain@ucmerced.edu
Office Phone: (209) 228-2429

Department of Psychological Sciences
School of Social Sciences, Humanities, and Arts
University of California, Merced
5200 North Lake Road
Merced, CA 95343

ACADEMIC POSITIONS

- 2022 – Present **Associate Professor**, University of California, Merced
Department of Psychological Sciences
- 2014 – 2022 **Assistant Professor**, University of California, Merced
Department of Psychological Sciences
- 2013 – 2014 **Postdoctoral Scholar**, University of California, Merced
Department of Psychological Sciences
Research Supervisor: Deborah Wiebe, MPH, PhD

EDUCATION

- PhD **University of California, Berkeley**, Psychology, December 2013
Dissertation: *Empathic communication during mother-adolescent conflict management*
Committee: Qing Zhou, PhD, Joseph Campos, PhD, & Jodi Halpern, MD, PhD
- BA **Brandeis University**, Psychology with Highest Honors, Magna Cum Laude, May 2008
Honors Thesis: *Relations of SARS-related stressors and coping to Chinese college students' psychological adjustment during the 2003 Beijing SARS epidemic*
Research Supervisor: Joseph Cunningham, PhD

RESEARCH INTERESTS

Emotional Development, Empathy, Interpersonal Processes, Adolescence, Conflict, Culture

AWARDS AND HONORS

- 2022 Distinguished Early Career Research Award, UC Merced (finalist)
- 2020-2021 Faculty Success Initiative Fellow, UC Merced
- 2020 National Institute on Minority Health and Health Disparities Research Institute
Scholar
- 2017 International Society for Research on Emotion Early Career Poster Award
- 2009-2013 Jacob K. Javits Fellowship
- 2008-2010 Chancellor's Fellowship, UC Berkeley
- 2008 Eliot Aronson '54 Prize for Excellence in Psychological Research, Brandeis
University

2007-2008	Pauli Murray Fellowship, Brandeis University
2007	Summer Research Opportunity Program, UC Berkeley
2004-2008	Dean's List, Brandeis University
2004-2008	Louis and Anita Perlman Family Endowed Scholarship, Brandeis University

PEER-REVIEWED PUBLICATIONS

3. **Main, A.** (September 2012). Executive functions and children's development. White paper for the *Scientific Learning Corporation*.

MANUSCRIPTS UNDER REVIEW/REVISION

1. Subramoney, S., Walle, E. A., **Main, A.**, & Magaña, D. (under invited revision). Navigating intercultural misunderstandings: An examination of emotion brokering.
2. **Main, A.**, Wiebe, D. J., Miramontes, M., *Hanes, E., Cakan, N., & Raymond, J. K. (under review). Parent empathy and adolescent disclosure in the context of type 1 diabetes management.

MANUSCRIPTS IN PREPARATION

1. *Yung, S. T., **Main, A.**, †Chen, Y., & Zawadzki, M. J. (in preparation). Emotion regulation within social interactions in everyday life among college students.
2. †George, A. S., **Main, A.**, & Rote, W. M. (in preparation). Emotion dynamics during mother-adolescent conflict interactions: Associations with relationship quality and adolescent psychological adjustment.
3. Mello, D., Raymond, J. K., Torres Sanchez, A., **Main, A.**, Yan, Y., & Wiebe, D. J. (in preparation). HbA1c trajectories across childhood through emerging adulthood vary as a function of race crossed with income, education, and type of health insurance.
4. Rote, W. M., & **Main, A.** (in preparation). Emotions and information management in parent-adolescent relationships.
5. *Bolter, A., **Main, A.**, & Bámaca, M. (in preparation). Autonomy development in first-year Latinx college students: Associations with cultural values and mental health.

RESEARCH GRANTS

- | | |
|------|--|
| 2021 | Principal Investigator, "Intergenerational Health Disparities in Latina Adolescent Mothers and their Children," National Institute of Child Health and Human Development. Total proposed direct costs: \$2,000,000 (not funded). |
| 2020 | Co-Principal Investigator, "UC Merced Center on Rural and Ethnic Health Disparities: Promoting Equity in the Heart of California," National Institute on Minority Health and Health Disparities. Total proposed direct costs: \$15,000,000. Lead PI: Deborah Wiebe (not funded). |
| 2019 | Co-Principal Investigator, "Effects of the Social and Physical Environment on the Health of Latina Adolescent Mothers and their Children," UC Merced Health Sciences Research Institute. Total proposed direct costs: \$10,000. Co-PIs Sandie Ha, Rose Scott, & Eric Walle (not funded). |

- 2017 Co-Principal Investigator, “Translational Research to Promote Health Equity in Rural Areas,” National Institute on Minority Health and Health Disparities. Total proposed direct costs: \$15,000,000. Lead PI: Paul Brown (not funded).
- 2017 Co-Principal Investigator, “Academic Promise, Socioeconomic Risk: Predictors of Continued Academic Achievement in Gifted Immigrant Youth,” American Psychological Foundation Esther Katz Rosen Fund. Total proposed direct costs: \$50,000. Co-PI Stephen Chen (not funded).
- 2016-2017 Principal Investigator, “Fourth Annual Symposium on the Child and Family,” First 5 Merced County General Mini-Grants Program. Total direct costs: \$2,000.
- 2016-2017 Principal Investigator, “Adolescent Pregnancy and Parenting: A Multi-Generational Study,” Academic Senate Faculty Research Grant, University of California, Merced. Total direct costs: \$15,000. Co-PIs Rose Scott and Eric Walle.
- 2016 Principal Investigator, “Adolescent Pregnancy and Parenting: A Multi-Generational Study,” First 5 Merced County General Mini-Grants Program. Total direct costs: \$3,000. Co-PIs Rose Scott and Eric Walle.
- 2015-2016 Principal Investigator, “Family Communication During Conflict and Adolescent Type 1 Diabetes Management in Latino Families,” Academic Senate Faculty Research Grant, University of California, Merced. Total direct costs: \$10,000. Co-PIs Deborah Wiebe and Linda Cameron.
- 2014 Principal Investigator, “Family Communication During Conflict and Adolescent Type 1 Diabetes Management in Latino Families,” Society for Pediatric Psychology Targeted Research Grant. Total proposed direct costs: \$20,000. Co-PIs Deborah Wiebe and Linda Cameron (not funded).
- 2012-2013 Principal Investigator, "Relations of Cultural Orientation and Effortful Control to Chinese American Children's Sympathy and Prosocial Behavior: A Longitudinal Study," Hornaday Graduate Research Fellowship, Greater Good Science Center. Total direct costs: \$5,000. Co-PI Qing Zhou.
- 2012-2013 Principal Investigator, "Emotion Regulation During Mother-Adolescent Conflict Discussions: The Role of Empathy," Psi Chi Graduate Fellowship. Total direct costs: \$1,500. Co-PIs Qing Zhou, Joseph Campos, and Jodi Halpern.
- 2011 Principal Investigator, “Emotion Regulation During Mother-Adolescent Conflict Discussions: The Role of Empathy,” Institute of Human Development, University of California, Berkeley. Total direct costs: \$2,000. Co-PIs Qing Zhou, Joseph Campos, and Jodi Halpern.

2011 Principal Investigator, “Emotion Regulation During Mother-Adolescent Conflict Discussions: The Role of Empathy,” Department of Psychology, University of California Berkeley Summer Research Fellowship. Total direct costs: \$3,500. Co-PIs Qing Zhou, Joseph Campos, and Jodi Halpern.

INVITED TALKS

Main, A. (February 2022). Parent-adolescent emotion dynamics and health: Novel methodologies with diverse populations. Talk presented at the Human Development and Family Studies colloquium at Purdue University, West Lafayette, IN (remote due to COVID-19).

Main, A. (October 2021). Careers in Psychology. Talk presented at the UC Merced Psi Chi meeting, University of California, Merced, Merced, CA.

Main, A. (March 2021). Adolescent disclosure during parent-adolescent interactions. Talk presented at the Cognitive Science Seminar for the Institute for Intelligent Systems at the University of Memphis, Memphis, TN (remote due to COVID-19).

Main, A. (October 2019). Adolescent disclosure to parents during real-time interactions: The roles of parent responses and adolescent characteristics. Talk presented at the UC Santa Cruz Developmental Psychology colloquium, Santa Cruz, CA.

Main, A., & *Disla, J. (February 2019). The effect of mothers’ real-time responses to adolescent disclosures on the timing of subsequent disclosures: The role of maternal empathy. Talk presented at the Parenting and Family Dynamics Pre-Conference for the Society for Personality and Social Psychology, Portland, OR.

Main, A. (November 2016). Parenting and prosocial/moral development in Asian, South Asian, and Asian immigrants to the U.S. Talk presented at the Brigham Young University Symposium on Family and Human Development, Provo, UT.

Carlo, G., Jensen, L., & **Main, A.** (March 2016). Culture and moral development. Panel discussion at the Society for Research on Adolescence Third Annual Moral Development Preconference, Baltimore, MD.

Main, A. (November 2014). Emotional communication in the context of parent-adolescent conflict: Cultural, developmental, and transactional considerations. Talk presented at Stanford University, Palo Alto, CA.

Halpern, J., Hollan, D., **Main, A.**, & Zaki, J. (August 2013). Empathy. Panel discussion at the International Society for Research on Emotion biennial conference, Berkeley, CA.

Main, A., Zhou, Q., Lee, C., & Liew, J (October 2012). The relations of cultural orientation and effortful control to Chinese American children's sympathy and prosocial behavior: A longitudinal study. Paper presented at UC Merced Psychological Sciences Colloquium, Merced, CA.

CONFERENCE ORGANIZING

Program Committee Co-Chair, Society for Research on Adolescence Moral Development Pre-Conference, March 2020, San Diego, CA [conference cancelled due to COVID-19, event held remotely in March 2021].

Program Committee Co-Chair, Society for Research in Child Development Moral Development Pre-Conference, March 2019, Baltimore, MD.

Program Committee Chair, Society for Research on Adolescence Moral Development Pre-Conference, April 2018, Minneapolis, MN.

CHAired CONFERENCE SYMPOSIA

Main, A. (March 2019). Is it a six or a nine? Quantifying parent-adolescent perspectives in dynamic interpersonal interactions. Society for Research in Child Development, Baltimore, MD.

Main, A. (July 2018). Associations between family relationship characteristics and adolescent adjustment: Insights from systems perspectives across multiple methods. International Society for the Study of Behavioural Development, Queensland, Australia.

Main, A. (April 2018). Parent-adolescent conflict and communication in ethnic minority and immigrant families. Society for Research on Adolescence, Minneapolis, MN.

Main, A. (April 2018). Dynamic relations between adolescent information management and parent strategies across adolescence. Society for Research on Adolescence, Minneapolis, MN.

Main, A. (July 2017). Emotional development. International Society for Research on Emotion biennial meeting, St. Louis, MO.

van Lissa, C., & **Main, A.** (March 2014). The role of empathy and support in adolescent-parent conflict resolution. Society for Research on Adolescence biennial meeting, Austin, TX.

Main, A. (August 2013). Parent-child emotional communication. International Society for Research on Emotion biennial meeting, Berkeley, CA.

CONFERENCE TALKS

*Denotes mentored graduate student authors/presenters. †Denotes mentored undergraduate student authors/presenters.

*Subramoney, S., Walle, E. A., **Main, A.**, & Magaña, D. (August 2023). Emotion brokering: Helping others navigate intercultural emotion-based misunderstandings. (Chair: Sivenesi Subramoney). Talk to be presented at the International Conference of Cross-Cultural Psychology, Limerick, Ireland.

*Subramoney, S., Walle, E. A., **Main, A.**, & Magaña, D. (July 2022). Emotion brokering in U.S. Latinxs: Associations with mental health and stress. Talk presented at the International Congress of Cross-Cultural Psychology (virtual).

*Subramoney, S., Walle, E. A., **Main, A.**, & Magaña, D. (February 2022). The effects of emotion brokering on mental health: It depends on how you feel about it. Talk presented at the Society for Personality and Social Psychology annual conference, San Francisco, CA.

*Disla, J., **Main, A.**, Kho, C., Miramontes, M., Wiebe, D. J., & Raymond, J. (April 2021). Language and culture: Associations with disclosure and mental health in Latinx adolescents with type 1 diabetes. (Chair: Aya Williams). Talk presented at the Society for Research in Child Development biennial conference (virtual).

*Bolter, A., **Main, A.**, Wiebe, D. J., Cameron, L., & Raymond, J. (April 2021). Links between parent/child acculturation and health for adolescents with type 1 diabetes: Testing the Immigrant Paradox and Acculturation Gap Distress Models. Talk presented at the Society for Research in Child Development biennial conference (virtual).

*Yung, S. T., **Main, A.**, Wiebe, D. J., Ramirez Loyola, M., Cameron, L., & Raymond, J. (April 2021). Associations between emotion expressions, familism values, and physical/mental health in Latinx adolescents with type 1 diabetes. Talk presented at the Society for Research in Child Development biennial conference (virtual).

*Disla, J., **Main, A.**, Wiebe, D. J., Cameron, L. D., Raymond, J., Gamez Aguilar, S., Torres Sanchez, A., & Miramontes, M. (April 2021). Associations among observed disclosure,

cultural factors, and health in Latinx adolescents with type 1 diabetes. Talk presented at the Society for Research on Adolescence biennial conference (virtual).

- Lougheed, J. P., & **Main, A.** (March 2020). Mother-adolescent emotion dynamics during conflicts: Insights from grid-sequence analysis. Talk accepted for presentation at the Society for Research on Adolescence biennial conference, San Diego, CA [conference cancelled due to COVID-19].
- Reschke, P. J., Walle, E. A., **Main, A.**, & Shannon, R. (July 2019). The effect of emotion on infants' distinct prosocial behaviors. Talk presented at the International Society for Research on Emotion biennial conference, Amsterdam, the Netherlands.
- Main, A.**, *Kho, C., Wiebe, D. J., Cameron, L. D., & Raymond, J. (March 2019). Parents' and adolescents' empathic accuracy in the context of managing type 1 diabetes. (Chair: Alexandra Main). Talk presented at the Society for Research in Child Development biennial conference, Baltimore, MD.
- *Disla, J., **Main, A.**, Kashi, S., & Boyajian, J. (March 2019). The timing of adolescent disclosures: The effects of maternal emotional responses and adolescent perspective taking. (Chair: Jessica Lougheed). Talk presented at the Society for Research in Child Development biennial conference, Baltimore, MD.
- Main, A.**, *Kho, C., Wiebe, D. J., & Cameron, L. D. (February 2019). Parents' and adolescents' empathic accuracy during discussions about coping with type 1 diabetes: Links with individual and relationship characteristics. (Chair: Audun Dahl). Talk presented at the Society for Personality and Social Psychology annual conference, Portland, OR.
- *Yung, S. T., **Main, A.**, Cowan, P. A., & Cowan, C. P. (July 2018). Parent responses to adolescent emotions in a triadic family context: Associations with adolescent depressive and anxiety symptoms. (Chair: Alexandra Main). Talk presented at the International Society of the Study of Behavioural Development biennial conference, Queensland, Australia.
- Main, A.**, Zhou, Q., & Liew, J. (July 2018). Links of dual language proficiency to Chinese American children's effortful control and sympathy. (Chair: Qing Zhou). Talk presented at the International Society of the Study of Behavioural Development biennial conference, Queensland, Australia.
- Main, A.**, Lougheed, J. P., & *Disla, J. (April 2018). Dynamics of observed adolescent disclosure during mother-adolescent conflict: The role of maternal emotions and adolescent age. (Chair: Alexandra Main, discussant: Robert Laird). Talk presented at the Society for Research on Adolescence biennial conference, Minneapolis, MN.
- *Kho, C., **Main, A.**, Chung, S., & Zhou, Q. (April 2018). Observed and reported psychological control in Chinese American immigrant families: Relations with pre-adolescents'

psychological adjustment. (Chair: Alexandra Main). Talk presented at the Society for Research on Adolescence biennial conference, Minneapolis, MN.

Chung, S., Zhou, Q., *Kho, C., & **Main, A.** (April 2018). Latent profiles of parent-child conflict topics in Chinese American immigrant families: Links to family socio-cultural factors and adjustment in preadolescents. (Chair: Alexandra Main). Talk presented at the Society for Research on Adolescence biennial conference, Minneapolis, MN.

*Disla, J., & **Main, A.** (July 2017). Parental emotion-related behaviors that facilitate and inhibit adolescent disclosure to parents during everyday interactions. (Chair: Alexandra Main). Talk presented at the International Society for Research on Emotion biennial conference, St. Louis, MO.

Main, A., & *Disla, J. (April 2017). Parental emotion-related behaviors that facilitate and inhibit adolescent disclosure to parents during everyday interactions. (Chair: Christina Gamache Martin, discussant: Lynn Fainsilber-Katz). Talk presented at the Society for Research in Child Development biennial conference, Austin, TX.

Main, A., Paxton, A., & Dale, R. (April 2016). An exploratory analysis of emotion dynamics between mothers and adolescents during conflict discussions (Chairs: Deborah Laible & Mary Eberly-Lewis). Society for Research on Adolescence biennial conference, Baltimore, MD.

Main, A., Paxton, A., & Dale, R. (July 2015). An exploratory analysis of dynamic emotional communication between parents and adolescents during conflict discussions. Paper presented at the International Society for Research on Emotion biennial conference, Geneva, Switzerland.

Main, A., Halpern, J., Campos, J. J., & Zhou, Q. (March 2014). Cultural and developmental considerations of empathic communication during mother-adolescent conflict management. (Chairs: Caspar van Lissa and Alexandra Main). Paper presented at the Society for Research on Adolescence biennial conference, Austin, TX.

Main, A., Zhou, Q., Campos, J. J., & Halpern, J. (August 2013). Empathic communication during mother-adolescent conflict management. (Chair: Alexandra Main). Paper presented at the International Society for Research on Emotion biennial conference, Berkeley, CA.

Main, A., Zhou, Q., Lee, C., & Liew, J. (May 2012). The relations of cultural orientation and effortful control to Chinese American children's sympathy and prosocial behavior: A longitudinal study. Paper presented at UC Berkeley, UC Santa Cruz, Stanford Developmental Conference, Santa Cruz, CA.

Zhou, Q., **Main, A.**, Lee, C., & Liew, J. C. (February 2012). Relations of self-regulation and cultural orientation to sympathy and prosocial behavior in Chinese American children in

immigrant families. Paper presented at the 2012 Society for Child Development Themed Meeting on Positive Development in Minority Youth.

Main, A., Chen, S. H., & Zhou, Q. (May 2010). The relations of effortful control and cognitive control to Chinese American children's math skills: A multi-method approach. Paper presented at UC Berkeley, UC Santa Cruz, Stanford Developmental Conference, Berkeley, CA.

Chen, S. H., **Main, A.**, & Zhou, Q. (April 2009). Relations of cultural orientation and temperament to Chinese American immigrant children's math achievement. (Chair: Carlos Valiente). Paper presented at the Society for Research in Child Development biennial conference, Denver, CO.

Main, A., Zhou, Q., & Wang, Y. (May 2008). Relations of SARS-related stressors and coping to Chinese college students' psychological adjustment during the 2003 Beijing SARS epidemic. Paper presented at the Brandeis University Honors Thesis Symposium, Waltham, MA.

Zhou, Q., **Main, A.**, & Wang, Y. (August 2007). The relations of temperamental effortful control and anger/frustration to Chinese children's academic achievement: A longitudinal study. (Chairs: Jeffrey Liew & Qing Zhou). Paper presented at the American Psychological Association annual conference, San Francisco, CA.

Main, A., & Zhou, Q., (July 2007). The relations of temperamental effortful control and anger/frustration to Chinese children's academic achievement and social adjustment: A longitudinal study. Paper presented at the UC Berkeley Summer Research Opportunity Program symposium, Berkeley, CA.

CONFERENCE POSTER PRESENTATIONS

Main, A., Wiebe, D. J., Miramontes, M., *Disla, J., *Hanes, E., Cakan, N., & Ramond, J. K. (June 2023). Parent empathy and adolescent disclosure in the context of type 1 diabetes management. Poster to be presented at the Bay Area Affective Science Society meeting, Davis, CA.

Keskin, G., Loughheed, J. P., & **Main, A.** (April 2023). Moment-to-moment emotion dynamics during triadic family conflicts and their associations with internalizing problems and marital satisfaction. Poster presented at the Society for Affective Science conference, Long Beach, CA.

†George, A.S., **Main, A.**, & Rote, W. M. (April 2023). Emotions during mother-adolescent conflict interactions: Associations with relationship quality and adolescent psychological adjustment. Poster presented at the Western Psychological Association conference, Irvine, CA.

- Mello, D., Wiebe, D. J., Torres Sanchez, A., **Main, A.**, & Raymond, J. K. (June 2022). HbA1c trajectories across development vary as a function of race crossed with income, education, and type of health insurance. Poster presented at the American Diabetes Association annual conference (virtual).
- *Bolter, A., **Main, A.**, & Wiebe, D. J. (April 2021). The division of type 1 diabetes responsibility between mothers and adolescents in Latinx and non-Latinx White dyads. Poster presented at the Society for Research in Child Development biennial conference (virtual). *Poster selected as one that best reflects interdisciplinary research.*
- *Kho, C., **Main, A.**, Wiebe, D. J., & Raymond, J. (April 2021). Parents' empathic accuracy in the context of managing type 1 diabetes: Associations with adolescents' physical and mental health. Poster presented at the Society for Research in Child Development biennial conference (virtual).
- †Miramontes, M., **Main, A.**, *Kho, C., *Disla, J., Wiebe, D. J., & Raymond, J. K. (April 2021). Cultural factors and empathy among Hispanic adolescents with type 1 diabetes and their parents. Poster presented at the Society for Research in Child Development biennial conference (virtual). *Poster selected as one that best reflects research on ethnic and racial issues.*
- Laible, D., Carlo, C., **Main, A.**, Ispa, J., Cruz, A., Maiya, S., & Im, J. (April 2021). Profiles of risk and parenting: Links with children's socioemotional development. Poster presented at the Society for Research in Child Development biennial conference (virtual).
- Laible, D., Carlo, G., Ispa, J., **Main, A.**, Cruz, A., & McGinley, M. (April 2021). Patterns of parent-child conflict discourse: Links with ethnicity and child maladjustment in middle childhood. Poster presented at the Society for Research in Child Development biennial conference (virtual).
- †Miramontes, M., †Rodriguez, S., **Main, A.**, *Disla, J., Wiebe, D. J., Raymond, J., & Cameron, L. D. (March 2021). Relations between parent empathy and adolescent disclosure in Hispanic adolescents with type 1 diabetes. Poster presented at the Society for Research on Adolescence biennial conference (virtual).
- *Disla, J., *Yung, S. T., **Main, A.**, Wiebe, D. J., Cameron, L. D., Raymond, J., & Lougheed, J. (April 2020). Associations between parental coregulatory responses to adolescent disclosures and physical and mental health in Latinx adolescents with type 1 diabetes. Poster accepted for presentation at the Society for Affective Sciences annual conference, San Francisco, CA [conference cancelled due to COVID-19].
- *Yung, S. T., **Main, A.**, Walle, E. A., & Scott, R. M. (March 2020). Latina adolescent mothers' cultural values and social support: Associations with depressive and anxiety symptoms. Talk accepted for presentation at the Society for Research on Adolescence biennial conference, San Diego, CA [conference cancelled due to COVID-19].

- *Kho, C., **Main, A.**, & Rote, W. (March 2020). Observed parenting behaviors and adolescent's satisfaction with parent-adolescent interaction: The role of adolescents' perception. Talk accepted for presentation at the Society for Research on Adolescence biennial conference, San Diego, CA [conference cancelled due to COVID-19].
- *Bolter, A., **Main, A.**, & Wiebe, D. J. (March 2020). Division of type 1 diabetes management responsibility between parents and adolescents in Hispanic and non-Hispanic White dyads: Links between shared responsibility and treatment adherence. Poster accepted for presentation at the Society for Research on Adolescence biennial conference, San Diego, CA [conference cancelled due to COVID-19].
- *Bolter, A., **Main, A.**, Wiebe, D. J., Raymond, J., & Cameron, L. D. (March 2020). Links between parent/child acculturation and health for adolescents with type 1 diabetes: Testing the Immigrant Paradox and Acculturation Gap Distress models. Poster accepted for presentation at the Society for Research on Adolescence biennial conference, San Diego, CA [conference cancelled due to COVID-19].
- †Gamez Aguilar, S. H., **Main, A.**, Wiebe, D. J., Cameron, L. D., & Raymond, J. (April 2019). Endorsement of U.S. cultural values in parent-adolescent dyads managing type 1 diabetes: Associations with psychological and physical health. Poster presented at the Society for Pediatric Psychology annual conference, New Orleans, LA.
- *Yung, S. T., **Main, A.**, Scott, R. M., Walle, E. A., & Hahn-Holbrook, J. (March 2019). Adolescent mothers' mental health and the home literacy environment: The role of social support. Poster presented at the Society for Research in Child Development biennial conference, Baltimore, MD.
- *Disla, J., **Main, A.**, Wiebe, D. J., Cameron, L. D., & Raymond, J. (March 2019). Associations between observed disclosure and adjustment in Latinx adolescents with type 1 diabetes. Poster presented at the Society for Research in Child Development biennial conference, Baltimore, MD.
- *Kho, C., **Main, A.**, & Rote, W. M. (March 2019). Parental psychological control and adolescents' perceptions of parent-adolescent interactions: The role of relationship quality. Poster presented at the Society for Research in Child Development biennial conference, Baltimore, MD.
- Spencer, C., **Main, A.**, & McKeown (April 2018). Towards the development of the ICE (Interpersonal Coding of Empathy) scheme. Poster presented at the Consortium of European Research on Emotion, Glasgow, Scotland.
- *Kho, C., *Yung, S. T., **Main, A.**, & Chen, S. H. (April 2018). Relations between emotion regulation and stress during emerging adulthood in first-generation college students: The role of culture. Poster presented at the Society for Research on Adolescence biennial conference, Minneapolis, MN.

- *Yung, S. T., **Main, A.**, Scott, R. M., & Walle, E. A. (April 2018). Associations between adolescent mothers' family support, conflict and mental health: The role of cultural values. Poster presented at the Society for Research on Adolescence biennial conference, Minneapolis, MN.
- *Yung, S. T., **Main, A.**, †Kaur, S., Cowan, P. A., & Cowan, C. P. (April 2018). Parent responses to adolescent emotions in a triadic family context: Associations with adolescent depressive and anxiety symptoms. Poster presented at the Society for Research on Adolescence biennial conference, Minneapolis, MN.
- Main, A.**, & Dale, R. (July 2017). A novel approach to uncovering dynamic patterns of parent-adolescent emotions during conflict discussions. Poster presented at the International Society for Research on Emotion biennial conference, St. Louis, MO. *Winner of Early Career Poster Award*.
- *Disla, J., & **Main, A.** (April 2017). Observed adolescent disclosure and parental supportive behavior during parent-adolescent conflict discussions. Poster presented at the Society for Research in Child Development biennial conference, Austin, TX.
- †Johnston, S., **Main, A.**, *Disla, J., *Kho, C., & Campbell, K. (April 2017). Associations between familism and quality of interactions with primary caregivers across Hispanic and non-Hispanic white emerging adults. Poster presented at the Society for Research in Child Development biennial conference, Austin, TX.
- *Kho, C., **Main, A.**, & Zhou, Q. (March 2016). Relations of culture and psychological control to pre-adolescents' adjustment in Chinese American immigrant families. Poster presented at the Society for Research on Adolescence biennial conference, Baltimore, MD.
- Main, A.**, Wiebe, D. J., Van Bogart, K., Turner, S. L., Tucker, C., & Berg, C. A. (March 2015). Predictors of secrecy from parents and associations with type 1 diabetes management in late adolescence. Poster presented at the Society for Research on Child Development biennial conference, Philadelphia, PA.
- Main, A.**, & Wiebe, D. J. (March 2014). Parent-adolescent relationship quality and type 1 diabetes management in Latino and Caucasian youth. Poster presented at the Society of Pediatric Psychology annual conference, Philadelphia, PA.
- Main, A.**, Halpern, J., Campos, J. J., & Zhou, Q. (April 2013). Emotion regulation during mother-adolescent conflict discussions: The role of empathy. Poster presented at the Society for Research on Child Development biennial conference, Seattle, WA.
- Main, A.**, Zhou, Q., Lee, C., & Liew, J. (April 2013). The relations of cultural orientation and parenting style to Chinese American children's sympathy and prosocial behavior: A longitudinal study. Poster presented at the Society for Research on Child Development biennial conference, Seattle, WA.

Main, A., Zhou, Q., & Sum, C. (January 2012). The relations of cultural orientation and effortful control to Chinese American children's sympathy and prosocial behavior: A longitudinal study. Poster presented at the Society for Social and Personality Research annual conference, San Diego, CA.

Main, A., Chen, S. H., Zhou, Q., & Bunge, S. (March 2011). The relations of cognitive control to Chinese American children's reading and math skills. Poster presented at the Society for Research on Child Development biennial conference, Montreal, Quebec, Canada.

Main, A., Chen, S. H., & Zhou Q. (June 2009). The relations of effortful control and cognitive control to Chinese American children's reading and math skills: A multi-method approach. Poster presented at the Neuroscience of Emotion conference at Tufts University, Medford, MA.

Main, A., Zhou, Q., & Wang, Y. (July 2007). The relations of temperamental effortful control and anger/frustration to Chinese children's academic achievement and social adjustment: A longitudinal study. Poster presented at the UC Berkeley Summer Research Opportunity Program symposium, Berkeley, CA.

Main, A., & Unger, R. K. (May 2007). SPSSI: A content analysis. Poster presented at the Brandeis University Women's Studies Research Center symposium, Waltham, MA.

COMMUNITY TALKS

April 2023 Parent-adolescent communication: What works? Talk presented at the Kids Discovery Station Parent Academy, Merced, CA.

January 2023 Parent-adolescent communication: What works, what doesn't? Talk presented at the Local Child Care Planning Council meeting [virtual].

September 2020 Parent-teen communication: What works, what doesn't? Talk presented at the Mariposa CASA meeting [virtual].

November 2019 Type 1 diabetes in adolescence: Insights from the Central Valley. Talk presented at Golden Valley Healthcare Center, Merced, CA.

October 2017 Parent-adolescent communication: What works? Talk presented at Le Grande High School, Le Grande, CA.

May 2017 Parent-adolescent communication. Talk presented at the Tri-District Medical Academies Conference, Planada, CA.

January 2017 Family systems perspectives on child development. Talk presented at the UC Merced Symposium on the Child and Family, Merced, CA.

April 2016 The development of children from immigrant families. Talk presented at the UC Merced Symposium on the Child and Family, Merced, CA.

February 2014 Healthy parenting during adolescence. Talk presented at the Merced County Parent Institute, Merced, CA.

INVITED COLLABORATIONS

2021 – Present Children with Special Healthcare Needs (Sponsored by the California Department of Public Health) – Consultant for evaluation of research and effectiveness of intervention. Collaboration with the Merced County Department of Public Health and the Merced County Office of Education.

2018 – Present NIH Early Head Start Project (Sponsored by NICHD) – Member of research team for parent-child discourse project.

TEACHING AND MENTORING

Graduate Student Advising

2022 – present Erica Hanes, University of California, Merced
 2018 – present Abigail Bolter, University of California, Merced
 2016 – 2021 Shun Ting Yung, University of California, Merced
 2015 – 2022 Janice Disla, University of California, Merced
 2014 – 2020 Carmen Kho, University of California, Merced

Doctoral Committee Member

2023 – present Derrick Ocampo, University of California, Merced
 2023 – present Elisa Gomez, University of California, Merced
 2023 – present Manasa Ganesh Kumar, University of California, Merced
 2021 – present James Sullivan, University of California, Merced
 2021 – present Smitha Kashi, University of San Francisco
 2020 – present Sivenesi Subramoney, University of California, Merced
 2020 – present Zeynep Ozden, University of California, Merced
 2019 – present Aislinn Beam, University of California, Merced
 2017 – 2020 Ashley Baker, University of California, Merced
 2015 – 2021 Gerald Eisman, University of California, Merced
 2015 – 2019 Jennifer Knothe, University of California, Merced
 2015 – 2018 Peter Reschke, University of California, Merced

Master's Student Theses

2020-2021 Vanessa Romo Ortega and Sarah Kamel Rashid Dobson, California State University, Sacramento (co-supervisor and second reader)

Undergraduate Student Honors Theses

2023 Devin Verma, University of California, Merced (second reader)
 2022-2023 Angela Susan George, University of California, Merced (faculty advisor)

2022 Jazmin Sandoval Bustamante, University of California, Merced (second reader)
 2021 Bailey Weikel-Feekes, University of California, Merced (second reader)
 2011-2012 Alexandra Antkowiak, University of California, Berkeley (graduate student supervisor)
 2010-2011 Charlene Sum, University of California, Berkeley (graduate student supervisor)

Instructor, University of California, Merced

<i>Undergraduate Courses</i>		<u>Class Size</u>	<u>Rating (out of 7)</u>

Guest Lectures

Fall 2021	Seminar in Culminating Experiences, “Parent-Adolescent Conflict: What Do We Know?” University of California, Merced
Fall 2020	Seminar in Professional Development, “Parent-Adolescent Dynamics During Observed Interactions,” University of California, Merced
Spring 2020	Seminar in Professional Development, “Family Communication About Type 1 Diabetes,” University of California, Merced
Fall 2018	Seminar in Professional Development, “Family Emotion Dynamics in Diverse Contexts,” University of California, Merced
Fall 2015	Seminar in Professional Development, “Emotion Dynamics in the Family Context,” University of California Merced
Fall 2014	Seminar in Professional Development, “Succeeding in Graduate School,” University of California, Merced
Spring 2012	Developmental Psychology, “Attachment and the Self,” University of California, Berkeley
Fall 2011	Seminar on Emotion and Emotional Development, “The Development of Empathy,” University of California, Berkeley

CURRICULUM DEVELOPMENT

Courses Developed

University of California, Merced

2017	PSY 132: Development in the Family Context (undergraduate)
2016	PSY 232: Development in the Family Context (graduate)
2015	PSY 231: Developmental Psychology Core Course (graduate)
2015	PSY 134: Adolescent Development (undergraduate)

TEACHING INTERESTS

I am comfortable teaching Introduction to Psychology, Developmental Psychology, Family Psychology, Clinical Psychology (child and/or adult), Health Psychology (child and/or adult), Adolescent Development, Cultural Psychology, and Emotion. I am comfortable teaching larger lecture-style course as well as smaller seminar-style courses.

SERVICE

2023-2024	Faculty advisor, Psi Chi International Society in Psychology and Psychology Club, UC Merced
2023	Member, faculty search committee, Presidential Postdoctoral Fellowship, UC Merced
2023 – present	Faculty advisor, Psi Chi International Society in Psychology and Psychology Club, UC Merced

2021-2022	Non-tenured representative, Working Group on Department Strategy, UC Merced
2021-2022	Faculty advisor, Psi Chi International Society in Psychology and Psychology Club, UC Merced
2021	Member, William R. Shadish Award for Leadership and Service Committee, UC Merced
2021	Member, Outstanding Undergraduate Student Award committee, UC Merced
2021	Panelist, Graduate Visitation Week faculty panel, UC Merced
2021	Volunteer, Merced Department of Public Health COVID-19 vaccination program, Merced, CA
2021	Member, Non-Senate Faculty Distinguished Undergraduate Teaching Award Nomination Committee, UC Merced
2021	Member, Committee on Committee Awards Committee, UC Merced
2020-2022	Member, Committee on Committees, UC Merced
2020	Reviewer, "The role of emotional intelligence on health attitudes and behaviors among Hispanics in NYC." Grant submitted to the National Science Foundation
2020	Member, William R. Shadish Award for Leadership and Service Committee, UC Merced
2018-2019	Faculty mentor, Early Career Researcher Section, International Society for Research on Emotion
2018	Reviewer, "Does the apple feel differently from the tree? Parental socialization for intergroup empathy." Grant submitted to the Israel Science Foundation.
2017-2019	Member, Undergraduate Curriculum and Education Policy Committee, UC Merced
2017-2018	Co-organizer, Annual UC Merced Symposium on the Child and Family, UC Merced
2017	Member, Merit Review Committee, UC Merced
2017	Faculty representative, Office of Research Compliance and Integrity assessment committee, UC Merced
2017	Member, Graduate Council Sub Awards Committee, UC Merced
2017	Member, Continuing Graduate Fellowships Review Committee, UC Merced
2016-2019	Member, Graduate Curriculum and Education Policy Committee, UC Merced
2016-2019	Member, Executive Committee, Alliance for Child and Family Health and Development, Merced, CA
2016-2018	Faculty representative, Graduate Program Learning Outcome (PLO) assessment: PLOs 3 (pedagogy) and 5 (professionalism), UC Merced
2016	Faculty representative, Psychological Sciences, Preview Day, UC Merced
2016	Reviewer, Social, Emotional, and Personality panel for the Society for Research in Child Development biennial meeting
2016	Faculty representative, Psi Chi meet and greet, UC Merced
2016	Faculty representative, Psychological Sciences, Bobcat Day, UC Merced

2016	Co-organizer, Psychological Sciences first-year graduate student presentations, UC Merced
2015-2016	Faculty participant, Fiat Lux Scholars Program luncheons
2015-2017	Co-organizer, Annual UC Merced Symposium on the Child and Family, UC Merced
2014-2015	Member, Developmental Psychology Search Committee, UC Merced
2014	Reviewer, UC President's Postdoctoral Fellowship
2014	Reviewer, SRCD Millennium Scholars Program
2014	Faculty participant, Dinner with a Scientist, UC Merced
2011	Citizen Teacher; Citizen Schools; Lionel B. Wilson Middle School, Oakland, CA
2010-2011	President, Graduate Association of Students in Psychology (GASP); UC Berkeley
2009-2010	Secretary, Graduate Association of Students in Psychology (GASP); UC Berkeley
